

Peter-McGill Centre

Description

The future Peter-McGill centre is a **mixed integrated** project that hosts:

- a library
- a Maison de la culture (performance and exhibition halls)
- social spaces (coffee shop, agora, multipurpose rooms, cooking laboratory, office space for organizations, etc.)
- creative studios (musilab/fabricathèque)

Vision/metaphor: an OASIS

Amidst the hustle and bustle of the city, this **oasis** puts people first.

A meeting place where caravans converge:

- friendship
- knowledge
- creativity
- solidarity
- discovery

Signature and particular themes associated with the project

- World music (universal language, bridge between cultures)
- Digital/technology (digital culture fosters social ties, creativity)
- Indigenousness (highlights Aboriginal cultures)
- Community-led
